EXPERIENCE

Internship

Prakriti School

06/2024 Noida, India

March 18/24 to July 04/24.

During my 4-month internship at Prakriti School, I embraced the opportunity to contribute to a dynamic learning environment. I designed engaging visuals for social media and newsletters, edited videos to highlight school events and achievements, and assisted the IT department with technology upgrades. This experience not only sharpened my graphic and video editing skills but also allowed me to be part of a supportive team. dedicated to nurturing students' growth. I'm grateful for the chance to help promote a love of learning and am excited to apply my skills in future endeavors.

- During my 4-month internship at Prakriti School, I had the chance to support the school's mission through a variety of creative projects. Some highlights include:
 - Designed and engaging visuals for social media and newsletters, boosting community engagement.
 - Edited and produced videos that showcased school events and celebrated student achievements.
 - Collaborated with the IT team to help upgrade the school's technology, enhancing overall efficiency.
- This rewarding experience not only sharpened my graphic and video editing skills but also deepened my appreciation for fostering a love of learning in a vibrant environment. I'm thankful to have been part of the Prakriti School family and look forward to using these skills in my future endeavors!
